#### General Information

\* Attachments with TTG or E-number do not require registration: front bars, running boards, fender flares.

\* According to TTG (ABE): Parts Type Approval (TTG) – the successor to the ABE. As of June 2024, no new ABEs can be applied for. It has been replaced by the TTG (Parts Type Approval). Please do not confuse the TTG with the parts certificate! The TTG is equivalent to the ABE.

\* The 16" rims come with a TTG for the tire combination 225/65 R16, so it is registration-free.

The tire combination 235/65 R16 is only possible with an individual approval in accordance with §21 StVZO by a recognized testing organization such as TÜV, DEKRA, KÜS or GTÜ.

\* The remaining parts are exempt from registration.

\* Vehicle parts exchange. You send us your original parts. You then receive the new parts. For a deposit, you can have the parts delivered in advance and return yours to us afterward.

## REDUST front protection bar

- \* Available in black, chrome or bronze
- \* Made of high-quality stainless steel – particularly robust and durable
- \* Perfect fit for the Dacia Duster III – no modifications to the vehicle necessary
- \* Easy to install thanks to vehicle-specific brackets
- \* Suitable for vehicles with PDC in the front, blind spot assistant and front camera
- \* Installation instructions in German and English included with delivery
- \* No registration required thanks to EC approval

## REDUST aluminum running boards

- \* Perfect combination of design and functionality – more comfort and off-road style
- \* Available in black, chrome, or bronze
- \* Made of high-quality aluminum – particularly light and stable
- \* Length: 183 cm | Height: 7 cm – perfectly adapted to the Duster III
- \* Width: 14.3 cm + adjustable using special brackets with sliding function
- \* Total weight: 16.8 kg (including brackets for both sides)
- \* Very high load capacity: Up to 150 kg per side
- \* Easy installation with vehicle-specific brackets
- \* Powder-coated and rust-proof for maximum durability
- \* Registration-free thanks to TTG (ABE)

## REDUST off-road rims 16 inches

- \* Rim size: 8.5J x 16 H2, bolt circle: 5x 114.3 offset: 25
  - \* Available in matt or glossy black, silver/glossy black or bronze/matt black
  - \* Use with tire combination 225/65 R16 is registration-free thanks to TTG (ABE)
  - \* Use with tire combination 215/70 R16 and 235/65 R16 also possible, but only with individual approval according to §21 StVZO (by TÜV, DEKRA, KÜS or GTÜ)
  - \* No additional screws required - the vehicle's original screws can be reused.
- Scope of delivery: 1x aluminum rim, 1x hub cap with REDUST "R" logo
- \* TTG (ABE) for tire size 225/65 R16

## REDUST spacers

- \* front 36mm and rear 40mm per axle
- \* Including screws and TTG, but must be registered in conjunction with rims §21

## REDUST wheel arch extensions set

- \* Striking look & additional 40mm width for your Dacia Duster
- \* Increases the vehicle width by approx. 20mm per side
- \* Perfect fit - developed for the Dacia Duster III
- \* Simple & secure installation - no gluing required
- \* Screwed onto the original wheel arches
- \* Suitable for vehicles with or without PDC
- \* Made of high-quality ABS plastic - resistant & durable
- \* Available with a rough structure in matt black or smooth in glossy black
- \* Registration-free thanks to TTG (ABE) For vehicles with PDC sensors, the corresponding openings for the sensors in the front bumper must be milled out.

## REDUST side window sticker set

- \* Exclusive design for a striking look – matching the Y-style of the Dacia Duster
- \* Perfect fit for the Dacia Duster III – developed for the side windows
- \* Striking Y-design for an exclusive & modern look
- \* High-quality, durable material – resistant to weather influences
- \* Easy to attach & remove without leaving residue
- \* No entry in the vehicle documents necessary – registration-free

## REDUST door sill set with anti-slip relief

- \* Optimal protection & stylish appearance – perfect for your Dacia Duster
- \* Available in aluminum or stainless steel – robust & durable
- \* Set consists of 4 parts – perfect fit for the Dacia Duster III
- \* Self-adhesive with 3M adhesive tape on the back – no screws or drilling necessary
- \* Easy & quick installation
- \* Effectively protects the paint from scratches & damage
- \* Robust & durable construction for daily use
- \* Anti-slip relief for additional grip when getting in and out

## Optional: REDUST suspension lift kit

- \* More ground clearance, more off-road, maximum off-road capability & proven quality:
- \* Lift kit: +30 mm front / +20 mm rear
- \* Increased ground clearance for challenging terrain and off-road adventures
- \* Improved off-road capability – obstacles are overcome more easily
- \* Ride comfort remains superior – no negative impact on handling
- \* High-quality chassis components for maximum stability and durability
- \* Perfect fit for the Dacia Duster III 4WD – no modifications required
- \* Registration-free thanks to TTG (ABE)
