Allgemeininfo

* The add-on parts with TTG are registration-free: rear spoiler, fender flares, side skirts

* According to TTG (ABE): Parts Type Approval (TTG) – the successor to the ABE. As of June 2024, no new ABEs can be applied for. It has been replaced by the TTG (Parts Type Approval). Please do not confuse the TTG with the parts certificate! The TTG is equivalent to the ABE.

* There is only a material certificate for the bonnet scoop - must be registered with the TÜV as a special approval according to §21.

* Tire size approved for the rims: 235/40 R20.

There is no TTG (Technical Vehicle Registration Act). However, a strength certificate/parts certificate is available to support registration. Therefore, use requires individual approval in accordance with Section 21 of the German Road Traffic Licensing Regulations (StVZO) by a recognized testing organization such as TÜV, DEKRA, KÜS, or GTÜ.

* The remaining parts are exempt from registration.

* Vehicle parts exchange. You send us your original parts. You then receive the new parts. For a deposit, you can have the parts delivered in advance and return yours to us afterward.

REDUST wheel arch extensions

- * Striking look & additional 40mm width for your Dacia Duster
- * Increases the vehicle width by approx. 20mm per side
- * Perfect fit - developed for the Dacia Duster III
- * Simple & secure installation - no gluing required
- * Screwed onto the original wheel arches
- * Suitable for vehicles with or without PDC
- * Made of high-quality ABS plastic - resistant & durable
- * Available with a rough structure in matt black or smooth in glossy black
- * Registration-free thanks to TTG (ABE) For vehicles with PDC sensors, the corresponding openings for the sensors in the front bumper must be milled out.

REDUST bonnet scoop

- * Perfect fit – no adjustments necessary as it was developed exclusively for the Duster 3
- * Made of high-quality plastic – durable and long-lasting
- * Available with a rough texture in matte black or a smooth texture in glossy black
- * Easy installation with Sikaflex adhesive (included)
- * Installation accessories and instructions in German and English included This bonnet scoop comes with a material certificate. Registration is generally possible, but requires individual approval in accordance with Section 21 of the German Road Traffic Licensing Regulations (StVZO) by a recognized testing organization such as TÜV, DEKRA, KÜS, or GTÜ.

REDUST roof edge spoiler

- * Sporty look & individual design - perfect addition to your Dacia Duster III
- * Unique, aggressive & sporty design for a unique look
- * Dimensions: 108 cm x 20 cm x 7 cm
- * High-quality workmanship & durable ABS plastic
- * Custom-fit production for the Dacia Duster III - no adjustments required
- * Available with a rough structure in matte black or a smooth structure in glossy black
- * Easy installation with Sikaflex adhesive (included)
- * Registration-free thanks to TTG (ABE)

REDUST roof strips

- * Available in glossy or matte finish – perfectly matched to your vehicle design
- * Replaces the standard roof rails for a sleeker look
- * Perfect fit for the Dacia Duster III – no modifications required
- * High-quality workmanship for maximum durability
- * This product is registration-free

REDUST side skirts

- * Available in glossy or matte finish
- * Perfect fit for the Dacia Duster III – no modifications required
- * High-quality ABS plastic for maximum stability and durability
- * Additional protection for the vehicle flanks against dirt and stone chips
- * Sporty, aggressive look for a wider and more robust appearance
- * No gluing necessary, as the REDUST side skirts are screwed onto the original sills
- * Registration-free thanks to TTG (ABE)

REDUST alloy wheel 20 inches

- * Rim size: 8.5J x 20 inches, bolt circle: 5 x 114.3 offset: 35
- * approved tire size: 235/40 R20
- * striking multi-spoke design for a classy and sporty look
- * outstanding fit and precise workmanship
- * durable construction for maximum stability and performance Scope of delivery:
- * 1x REDUST alloy wheel 20 inch with hub cap with "R" logo * 1x centering ring and 5x screws for assembly *
- Strength certificate / parts certificate to support the registration

REDUST spacers

- * front 36mm and rear 40mm per axle
- * Including screws and TTG, but must be registered in conjunction with rims \$21

REDUST coilover suspension

- * Sporty look & optimized driving dynamics - individually adjustable
- * Front axle: 35 to 60 mm / Rear axle: 40 to 60 mm
- * Precisely tuned damper technology for sporty, yet everyday road holding
- * High-quality materials for maximum durability & resistance
- * Continuous height adjustment for perfect chassis adaptation
- * Improved driving dynamics & reduced roll movements This product is supplied with a parts certificate, but requires approval by a recognized testing organization such as TÜV, DEKRA, KÜS or GTÜ!

REDUST LED fog lights

- * Daytime running light function for better visibility in traffic
- * Fog light function for improved visibility in fog and poor light conditions
- * Suitable for the Dacia Duster III & Duster II – modern and high-quality design
- * Bright and efficient LED technology
- * Easy retrofitting – ensures a clear, modern light pattern
- * No registration required thanks to EC approval Note on installation:
- * Retrofitting the LED fog lights may require slight modifications to the fog light mount. We recommend installation by a specialist workshop to ensure proper functionality and integration.

REDUST side window sticker set

- * Exclusive design for a striking look – matching the Y-style of the Dacia Duster
- * Perfect fit for the Dacia Duster III – developed for the side windows
- * Striking Y-design for an exclusive & modern look
- * High-quality, durable material – resistant to weather influences
- * Easy to attach & remove without leaving residue
- * No entry in the vehicle documents necessary – registration-free

REDUST velour floor mats

- * Embroidered REDUST logos – exclusive design for your Duster
- * High-quality workmanship for long-lasting protection
- * Perfect fit – specially developed for the Dacia Duster III
- * Waterproof backing – protects against moisture and dirt
- * Fits the original Dacia fastening system for a non-slip hold
- * Made from recycled material – sustainable and environmentally friendly
- * Resistant, durable and easy to clean, improves the look of your Duster

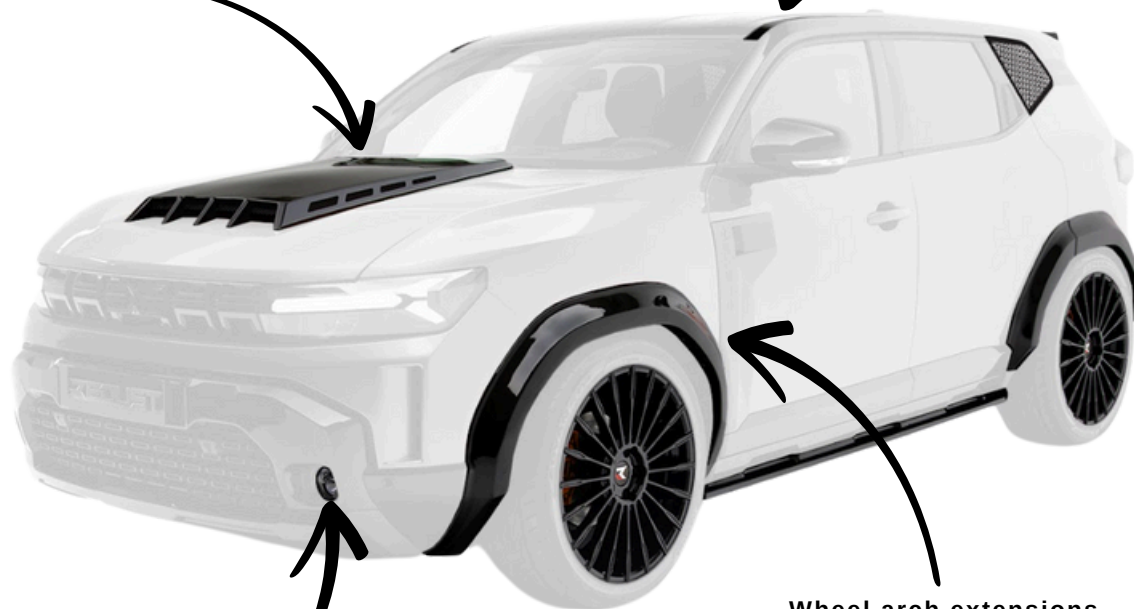

Optional: REDUST stainless steel sports exhaust system with tailpipes

- * Centrally positioned twin tailpipes for a dynamic look
- * Made of high-quality stainless steel – durable & corrosion-resistant
- * Available with tailpipes in black or chrome
- * Custom-fit design for the Dacia Duster III – easy installation
- * Available only for TCE 130 4WD and 140 Hybrid
- * Perfect for all Duster III drivers who want to individually upgrade their SUV
- * No registration required thanks to EC type approval
