General information

Add-on components featuring TTG or E-number do not necessitate registration: front bars, rear protection bars, running boards, and fender flares.

According to the TTG (ABE): Parts Type Approval (TTG) is the successor to the ABE. As of June 2024, no new ABEs will be accepted. The TTG (Parts Type Approval) has replaced it. Please do not confuse the TTG with the parts certificate; the TTG is equivalent to the ABE.

A material certificate exists solely for the bonnet scoop; it must be registered with the TÜV as a special approval in accordance with §21.

The 16" rims are equipped with a TTG for the tire combination 225/65 R16, rendering them registration-free.

The tire combination 235/65 R16 requires individual approval in accordance with §21 StVZO from a recognized testing organization, such as TÜV, DEKRA, KÜS, or GTÜ.

The remaining components are exempt from registration.

* Vehicle parts exchange. You provide your original parts, and in return, you receive new components. For a deposit, you may have the parts delivered in advance and subsequently return your original items to us.

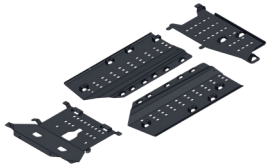

REDUST front guard bar

- * Available in black, chrome, or bronze
- * Constructed from high-quality stainless steel – exceptionally robust and durable
- * Tailored for the Dacia Duster III – no vehicle modifications required
- * Simple installation facilitated by vehicle-specific brackets
- * Compatible with vehicles equipped with PDC in the front, blind spot assistance, and front camera
- * Installation instructions provided in both German and English
- * No registration necessary due to EC approval

REDUST rear protection bar constructed from stainless steel

- * Effortless installation due to vehicle-specific brackets
- * Ideal fit with no modifications required for the vehicle
- * Compatible with trailer hitches
- * Highly durable and resistant to corrosion
- * Offered in black, chrome, or bronze finishes
- * Suitable for vehicles equipped with PDC and rear view cameras
- * Registration-free due to TTG (ABE)

REDUST aluminum underrun protection system

- * Constructed from high-quality aluminum, ensuring exceptional lightness and stability.
- * Finished with a black matte powder coating for enhanced durability.
- * Installation is straightforward and requires no additional modifications to your vehicle, utilizing the original mounting points.
- * Material thickness is 3mm, with the complete set weighing approximately 20kg.
- * This product does not require registration.

REDUST Aluminum Roof Basket

- * Material: Premium aluminum - exceptionally lightweight, durable, and resistant to corrosion
- * Available finishes: black, chrome, or bronze
- * Dimensions: Length 110 cm x front width 130 cm / rear width 120 cm x height 13 cm
- * Trapezoidal design - specifically engineered for the Dacia Duster III
- * Load capacity: Up to 100 kg - ideal for transporting luggage, roof tents, or off-road accessories
- * Simple installation without vehicle modifications (the roof basket requires assembly)
- * An excellent enhancement for a distinctive off-road aesthetic
- * This product does not require registration. The included bracket facilitates straightforward installation on the original roof rails without necessitating any alterations to the modular roof rails.

REDUST LED Work Light

- * Exceptional LED performance for superior brightness and ideal illumination
- * Radiant cold light for enhanced visibility
- * Slim yellow LED strips for subtle marking
- * Combined mode utilizing both light sources simultaneously
- * Tailored wiring for the Duster 3 – Plug & Play installation
- * Exclusively compatible with the REDUST roof basket for an impeccable fit
- * Remote control with a range of up to 20 meters
- * Premium craftsmanship – durable and weather-resistant for off-road applications
- * No registration necessary due to EC approval

REDUST aluminum side steps

- * Ideal fusion of design and functionality – enhanced comfort and off-road aesthetics
- * Offered in black, chrome, or bronze
- * Constructed from premium aluminum – exceptionally lightweight and durable
- * Length: 183 cm | Height: 7 cm – perfectly tailored for the Duster III
- * Width: 14.3 cm + adjustable with specialized brackets featuring a sliding mechanism
- * Total weight: 16.8 kg (including brackets for both sides)
- * Remarkably high load capacity: Up to 150 kg per side
- * Simple installation with vehicle-specific brackets
- * Powder-coated and corrosion-resistant for optimal longevity
- * Registration-free due to TTG (ABE)

REDUST 16-inch off-road rims

- * Rim dimensions: 8.0J x 16 H2, bolt pattern: 5x 114.3, offset: 25
 - * Available in matte or glossy black, glossy silver/black, or matte bronze/black
 - * Compatible with tire combination 225/65 R16, registration-free due to TTG (ABE)
 - * Tire combinations 215/70 R16 and 235/65 R16 are also permissible, but require individual approval in accordance with §21 StVZO (by TÜV, DEKRA, KÜS, or GTÜ)
 - * No additional screws necessary - the vehicle's original screws may be reused.
- Scope of delivery: 1 aluminum rim, 1 hub cap featuring the REDUST "R" logo
- * TTG (ABE) for tire size 225/65 R16.

REDUST wheel arch extensions

- * Striking appearance and an additional 40mm width for your Dacia Duster
- * Increases the vehicle's width by approximately 20mm on each side
- * Tailored fit - specifically designed for the Dacia Duster III
- * Easy and secure installation - no adhesive required
- * Fastened to the original wheel arches
- * Compatible with vehicles equipped with or without PDC
- * Constructed from high-quality ABS plastic - resilient and long-lasting
- * Available in a textured matte black or a smooth glossy black finish
- * Registration-free due to TTG (ABE) For vehicles equipped with PDC sensors, the appropriate openings for the sensors in the front bumper must be milled out.

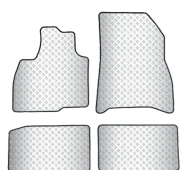

REDUST LED fog lamps

- * Daytime running light feature enhances visibility in traffic.
- * Fog light feature improves visibility in fog and low-light conditions.
- * Compatible with the Dacia Duster III and Duster II – featuring a contemporary and high-quality design.
- * Bright and efficient LED technology.
- * Simple retrofitting – guarantees a clear, modern light pattern.
- * No registration necessary due to EC approval. Note on installation: Retrofitting the LED fog lights may necessitate minor adjustments to the fog light mount. We advise that installation be conducted by a professional workshop to guarantee optimal functionality and integration.

REDUST side window decal set

- * Exclusive design for a captivating appearance – complementing the Y-style of the Dacia Duster
- * Tailored specifically for the Dacia Duster III – engineered for the side windows
- * Eye-catching Y-design for a distinctive and contemporary aesthetic
- * Premium, durable material – resistant to environmental factors
- * Simple to install and remove without leaving any residue
- * No entry required in the vehicle documentation – registration-free

REDUST checkered plate floor mats featuring anti-slip relief

- * Available in aluminum or stainless steel – durable and resistant
- * Designed to fit the Duster 3 and compatible with all models
- * Sturdy construction for optimal interior protection
- * Anti-slip texture for a secure grip – even in wet conditions
- * Black rubber edge for a polished appearance and enhanced slip resistance
- * Simple installation – compatible with the original Dacia fastening system
- * Ideal for off-road and everyday use
- * Premium materials for extended service life

REDUST footrest cover

- * Enhanced comfort, increased safety, and a distinctive appearance for your Dacia Duster
- * Constructed from premium stainless steel or aluminum checker plate – sturdy and long-lasting
- * No drilling necessary – swift and straightforward installation
- * Self-adhesive with pre-attached 3M adhesive tape
- * Built-in anti-slip texture for improved safety and comfort
- * Extremely lightweight and an ideal fit for the Dacia Duster III

REDUST trunk mat constructed from corrugated metal.

- * Offered in aluminum or stainless steel – robust and resilient
- * Tailored fit – specifically designed for the Dacia Duster III
- * Featuring a black rubber edge for an elegant appearance and enhanced stability
- * Low-maintenance and easy to clean – perfect for daily use
- * Safeguards the trunk from scratches, wear, and dirt
- * Anti-slip design ensures secure retention of luggage
- * Perfect for transporting luggage, tools, or outdoor gear

REDUST door sill set featuring anti-slip relief

- * Optimal protection and a stylish appearance – ideal for your Dacia Duster
- * Available in aluminum or stainless steel – sturdy and long-lasting
- * Set includes four components – tailored fit for the Dacia Duster III
- * Self-adhesive with 3M tape on the reverse – no screws or drilling required
- * Simple and rapid installation
- * Effectively safeguards the paint from scratches and damage
- * Sturdy and durable design for everyday use
- * Anti-slip texture for enhanced grip when entering and exiting

REDUST hood scoop

- * Perfect fit – no adjustments required as it was specifically designed for the Duster 3.
- * Constructed from high-quality plastic – robust and enduring.
- * Offered in a rough texture in matte black or a smooth texture in glossy black.
- * Simple installation with included Sikaflex adhesive.
- * Installation accessories and instructions provided in both German and English. This bonnet scoop includes a material certificate. Registration is generally feasible but necessitates individual approval in accordance with Section 21 of the German Road Traffic Licensing Regulations (StVZO) by a recognized testing organization such as TÜV, DEKRA, KÜS, or GTÜ.

REDUST spacers

- * Front 36mm and rear 40mm per axle
- * Including screws and TTG, but must be registered in conjunction with rims §21

Optional: REDUST suspension lift kit

Increased ground clearance, enhanced off-road performance, optimal off-road capability, and established quality:

- * Lift kit: +30 mm front / +20 mm rear
- * Enhanced ground clearance for demanding terrain and off-road excursions
- * Augmented off-road performance – obstacles are navigated with greater ease
- * Superior ride comfort maintained – no adverse effects on handling
- * Premium chassis components for optimal stability and durability
- * Ideal fit for the Dacia Duster III 4WD – no modifications necessary
- * Registration-free due to TTG (ABE)
