General information

Add-on components with TTG or E-number do not necessitate registration: front bars, running boards, fender flares.

According to the TTG (ABE): Parts Type Approval (TTG) is the successor to the ABE. As of June 2024, no new ABEs will be accepted. The TTG (Parts Type Approval) has replaced it. Please do not confuse the TTG with the parts certificate; the TTG is equivalent to the ABE.

The 16" rims are equipped with a TTG for the tire combination 225/65 R16, rendering them registration-free.

The tire combination 235/65 R16 requires individual approval in accordance with §21 StVZO from a recognized testing organization, such as TÜV, DEKRA, KÜS, or GTÜ.

The remaining components are exempt from registration.

* Vehicle parts exchange. You provide your original parts, and in return, you receive new components. For a deposit, you may have the parts delivered in advance and subsequently return your original items to us.

REDUST front guard bar

- * Available in black, chrome, or bronze
- * Constructed from high-quality stainless steel – exceptionally robust and durable
- * Tailored for the Dacia Duster III – no vehicle modifications required
- * Simple installation facilitated by vehicle-specific brackets
- * Compatible with vehicles equipped with PDC in the front, blind spot assistance, and front camera
- * Installation instructions provided in both German and English
- * No registration necessary due to EC approval

REDUST aluminum running boards

- * An ideal fusion of design and functionality – enhanced comfort and off-road aesthetics
- * Offered in black, chrome, or bronze
- * Constructed from premium aluminum – exceptionally lightweight and durable
- * Length: 183 cm | Height: 7 cm – perfectly tailored for the Duster III
- * Width: 14.3 cm + adjustable with specialized brackets featuring a sliding mechanism
- * Total weight: 16.8 kg (including brackets for both sides)
- * Remarkably high load capacity: Up to 150 kg per side
- * Simplified installation with vehicle-specific brackets
- * Powder-coated and corrosion-resistant for optimal longevity
- * Registration-free due to TTG (ABE)

REDUST 16-inch off-road rims

- * Rim dimensions: 8.5J x 16 H2, bolt pattern: 5x 114.3, offset: 25
 - * Available in matte or glossy black, silver/glossy black, or bronze/matte black
 - * Registration-free use with tire combination 225/65 R16 is permitted due to TTG (ABE)
 - * Tire combinations 215/70 R16 and 235/65 R16 are also feasible, but require individual approval in accordance with §21 StVZO (by TÜV, DEKRA, KÜS, or GTÜ)
 - * No additional screws necessary - the vehicle's original screws may be reused.
- Scope of delivery: 1 aluminum rim, 1 hub cap featuring the REDUST "R" logo
- * TTG (ABE) for tire size 225/65 R16.

REDUST spacers

- * Front 36mm and rear 40mm per axle
- * Including screws and TTG, but must be registered in conjunction with rims §21

REDUST wheel arch extensions

- * Striking appearance and an additional 40mm width for your Dacia Duster
- * Increases the vehicle's width by approximately 20mm on each side
- * Tailored fit - specifically designed for the Dacia Duster III
- * Easy and secure installation - no adhesive required
- * Fastened to the original wheel arches
- * Compatible with vehicles equipped with or without PDC
- * Constructed from high-quality ABS plastic - resilient and durable
- * Available in a textured matte black or a smooth glossy black finish
- * Registration-free due to TTG (ABE) For vehicles equipped with PDC sensors, the necessary openings for the sensors in the front bumper must be milled out.

REDUST side window decal set

- * Exclusive design for a captivating appearance – complementing the Y-style of the Dacia Duster
- * Tailored specifically for the Dacia Duster III – engineered for the side windows
- * Eye-catching Y-design for a distinctive and contemporary aesthetic
- * Premium, durable material – resistant to environmental factors
- * Simple to install and remove without leaving any residue
- * No entry required in the vehicle documentation – registration-free

REDUST door sill set featuring anti-slip relief

- * Optimal protection and a stylish appearance – ideal for your Dacia Duster
- * Available in aluminum or stainless steel – sturdy and long-lasting
- * Set includes four components – tailored fit for the Dacia Duster III
- * Self-adhesive with 3M tape on the reverse – no screws or drilling required
- * Simple and rapid installation
- * Effectively safeguards the paint from scratches and damage
- * Sturdy and durable design for everyday use
- * Anti-slip texture for enhanced grip when entering and exiting

Optional: REDUST suspension elevation kit

Enhanced ground clearance, superior off-road performance, optimal off-road capability, and established quality:

- * Lift kit: +30 mm front / +20 mm rear
- * Enhanced ground clearance for demanding terrain and off-road excursions
- * Augmented off-road performance – obstacles are navigated with greater ease
- * Superior ride comfort maintained – no adverse effects on handling
- * Premium chassis components for optimal stability and longevity
- * Ideal fit for the Dacia Duster III 4WD – no modifications necessary
- * Registration-free due to TTG (ABE)
