Allgemeininfo

The add-on components with TTG do not require registration: rear spoiler, wheel arch extensions, side skirts.

According to the TTG (ABE): Parts Type Approval (TTG) – the successor to the ABE. As of June 2024, no new ABEs will be accepted. It has been supplanted by the TTG (Parts Type Approval). Please do not conflate the TTG with the parts certificate! The TTG is equivalent to the ABE.

A material certificate exists solely for the bonnet scoop; it must be registered with the TÜV as a special approval in accordance with §21.

Tire size authorized for the rims: 235/40 R20.

There is no Technical Vehicle Registration Act (TTG). However, a strength certificate or parts certificate is available to facilitate registration. Consequently, usage necessitates individual approval in accordance with Section 21 of the German Road Traffic Licensing Regulations (StVZO) by a recognized testing organization such as TÜV, DEKRA, KÜS, or GTÜ.

The remaining components are exempt from registration.

* Vehicle parts exchange. You provide your original parts, and in return, you receive new components. For a deposit, you may have the parts delivered in advance and subsequently return your original items to us.

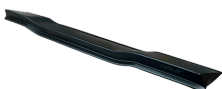

REDUST wheel arch extensions

- * Striking appearance and an additional 40mm width for your Dacia Duster
- * Increases the vehicle's width by approximately 20mm on each side
- * Tailored specifically for the Dacia Duster III
- * Easy and secure installation—no adhesive required
- * Fastened to the original wheel arches
- * Compatible with vehicles equipped with or without PDC
- * Constructed from high-quality ABS plastic—resilient and durable
- * Available in a textured matte black or a smooth glossy black finish
- * Registration-free due to TTG (ABE) For vehicles equipped with PDC sensors, the necessary openings for the sensors in the front bumper must be milled out.

REDUST hood scoop

- * Perfect fit – no adjustments required as it was specifically designed for the Duster 3.
- * Constructed from high-quality plastic – robust and enduring.
- * Offered in a rough texture in matte black or a smooth texture in glossy black.
- * Simple installation with included Sikaflex adhesive.
- * Installation accessories and instructions provided in both German and English. This bonnet scoop includes a material certificate. Registration is generally feasible but necessitates individual approval in accordance with Section 21 of the German Road Traffic Licensing Regulations (StVZO) by a recognized testing organization such as TÜV, DEKRA, KÜS, or GTÜ.

REDUST roof edge spoiler

- * Sporty appearance and distinctive design - an ideal enhancement for your Dacia Duster III
- * Unique, bold, and athletic design for a standout aesthetic
- * Dimensions: 108 cm x 20 cm x 7 cm
- * Superior craftsmanship and resilient ABS plastic
- * Tailored production for the Dacia Duster III - no modifications necessary
- * Offered in a textured matte black or a sleek glossy black finish
- * Simple installation with included Sikaflex adhesive
- * Registration-free due to TTG (ABE)

REDUST roofing strips

- * Offered in glossy or matte finish – seamlessly integrated with your vehicle's design
- * Replaces the standard roof rails for a more streamlined appearance
- * Tailored fit for the Dacia Duster III – no modifications necessary
- * Superior craftsmanship for enhanced durability
- * This product does not require registration

REDUST side skirts

- * Offered in glossy or matte finish
- * Tailored specifically for the Dacia Duster III – no modifications necessary
- * Premium ABS plastic ensures optimal stability and durability
- * Provides extra protection for the vehicle's sides against dirt and stone chips
- * Sporty, aggressive design enhances a wider and more robust appearance
- * Installation does not require adhesive, as the REDUST side skirts are affixed to the original sills with screws
- * Registration-free due to TTG (ABE)

REDUST 20-inch alloy wheel

- * Rim dimensions: 8.5J x 20 inches, bolt pattern: 5 x 114.3, offset: 35
- * recommended tire size: 235/40 R20
- * eye-catching multi-spoke design for an elegant and athletic appearance
- * exceptional fit and meticulous craftsmanship
- * robust construction for optimal stability and performance. Delivery contents:
- * 1x REDUST alloy wheel, 20 inches, featuring a hub cap with "R" logo
- * 1x centering ring and 5x screws for assembly
- * Strength certificate/parts certificate to facilitate registration

REDUST spacers

- * Front 36mm and rear 40mm per axle
- * Including screws and TTG, but must be registered in conjunction with rims §21

REDUST coilover suspension system

- * Sporty aesthetics and enhanced driving dynamics - customizable settings
- * Front axle: 35 to 60 mm / Rear axle: 40 to 60 mm
- * Meticulously calibrated damper technology for a sporty yet practical road performance
- * Premium materials ensuring maximum durability and resilience
- * Ongoing height adjustment for optimal chassis adaptation
- * Enhanced driving dynamics and minimized roll movements This product is accompanied by a parts certificate but necessitates approval from a recognized testing organization such as TÜV, DEKRA, KÜS, or GTÜ!

REDUST LED fog lamps

- * Daytime running light feature enhances visibility in traffic.
- * Fog light feature improves visibility in fog and low-light conditions.
- * Compatible with the Dacia Duster III and Duster II – featuring a contemporary and high-quality design.
- * Bright and efficient LED technology.
- * Simple retrofitting – guarantees a clear, modern light pattern.
- * No registration necessary due to EC approval. Note on installation: Retrofitting the LED fog lights may necessitate minor adjustments to the fog light mount. We advise that installation be conducted by a professional workshop to guarantee optimal functionality and integration.

REDUST side window decal set

- * Exclusive design for a captivating appearance – complementing the Y-style of the Dacia Duster
- * Tailored specifically for the Dacia Duster III – engineered for the side windows
- * Eye-catching Y-design for a distinctive and contemporary aesthetic
- * Premium, durable material – resistant to environmental factors
- * Simple to install and remove without leaving any residue
- * No entry required in the vehicle documentation – registration-free

REDUST velour floor coverings

- * Embroidered REDUST logos – a distinctive design for your Duster
- * Superior craftsmanship for enduring protection
- * Tailored fit – specifically designed for the Dacia Duster III
- * Waterproof backing – safeguards against moisture and dirt
- * Compatible with the original Dacia fastening system for a secure grip
- * Constructed from recycled materials – sustainable and eco-friendly
- * Resilient, durable, and easy to maintain, enhances the appearance of your Duster

Optional: REDUST stainless steel exhaust featuring central tailpipes

- * Centrally located twin tailpipes for a dynamic appearance
- * Constructed from premium stainless steel – resilient and corrosion-resistant
- * Offered with tailpipes in black or chrome finishes
- * Custom-fit design for the Dacia Duster III – facilitates straightforward installation
- * Exclusively available for TCE 130 4WD and 140 Hybrid models
- * Ideal for all Duster III owners seeking to personalize their SUV
- * No registration necessary due to EC type approval
