Aerodynamics and Optics

REDUST wheel arch extensions

- An eye-catching appearance for your Duster
 - Increases the vehicle width by 20 mm on each side.
 - Perfect fit – designed specifically for the Dacia Duster III
 - Simple and secure installation – no adhesive necessary
 - They are affixed to the original wheel arches.
 - Also compatible with vehicles equipped with the City Package (front PDC).
 - Constructed from premium ABS plastic – resilient and enduring.
 - Offered in a matte black with a rough texture or a glossy black with a smooth finish.
 - Registration-free, courtesy of TTG (ABE)
- For vehicles equipped with PDC sensors, the appropriate openings for the sensors must be machined into the front bumper.

REDUST hood scoop

- Ideal fit – no modifications necessary
- Constructed from premium plastic – resilient and enduring.
- Offered in a matte black with a rough texture or a glossy black with a smooth finish.
- Effortless installation with Sikaflex adhesive (included in the delivery package)
- Registration-free, courtesy of TTG (ABE)

REDUST roof spoiler

- Sporty aesthetic and unique design – the ideal enhancement for your Dacia Duster III.
- Superior craftsmanship and resilient ABS plastic
- Tailored specifically for the Dacia Duster III – no alterations necessary.
- Offered in a matte black with a rough texture or a glossy black with a smooth finish.
- Effortless installation with Sikaflex adhesive (included in the delivery package)
- Registration-free, courtesy of TTG (ABE)

REDUST roof strip

- Offered in either a glossy or matte finish.
- Meticulously customized to complement your vehicle's design.
- Replaces the conventional roof rails with a more streamlined appearance.
- Precisely designed for the Dacia Duster III – no alterations necessary.
- Superior craftsmanship for optimal durability
- This product does not necessitate registration.

REDUST side skirts

- Offered in a matte black with a rough texture or a glossy black with a smooth finish.
- Precisely designed for the Dacia Duster III – no alterations necessary.
- Premium ABS plastic ensures optimal stability and durability.
- Enhanced protection for the vehicle's sides against dirt and stone chips.
- Sporty and aggressive aesthetic for a broader and more robust appearance.
- No adhesive is required, as the REDUST side skirts are affixed to the original sills with screws.
- Registration-free, courtesy of TTG (ABE)

REDUST LED fog lamps

- Daytime running light feature for enhanced visibility in road traffic.
- Fog light functionality enhances visibility in fog and low-light conditions.
- Compatible with the Dacia Duster III and Duster II – contemporary and premium design
- Registration-free due to EC type approval

Installation guidelines:

Retrofitting LED fog lights may necessitate slight adjustments to the fog light mounting. We advise professional installation to guarantee optimal functionality and integration.

REDUST side window decal set

- Exclusive design for a captivating appearance – complementing the Y-style of the Dacia Duster.
- Precisely tailored for the Dacia Duster III – crafted for the side windows.
- Impressive Y-design for a distinctive and contemporary appearance.
- Premium, resilient material – impervious to weathering
- Effortless application and residue-free removal are achievable.
- Available with or without the "REDUST" emblem.
- This product does not necessitate registration.

Wheels and Chassis

REDUST alloy wheels, 20 inches

- Rim dimensions: 8.5 J x 20 inches, bolt configuration: 5 x 114.3, offset: 35
- Approved tire dimensions: 235/40 R20
- Available in black, silver, or bronze.
- Impressive multi-spoke design that exudes sophistication and sportiness.
- For 4WD vehicles equipped with 20" rims, it is essential to utilize wheel spacers with a minimum thickness of 5 mm on each side of the rear axle to guarantee adequate clearance between the tires and chassis components.

Delivery Scope

- 4x REDUST alloy wheels, 20 inches, featuring hubcaps adorned with the "R" logo.
- 4 centering rings and 20 screws for assembly
- Partial report to facilitate registration

Spacers

- 36 mm at the front and 40 mm at the rear for each axle
- Includes screws and TTG; however, registration must occur in conjunction with rims in accordance with §21.

REDUST coilover suspension system

- Athletic appearance and enhanced driving dynamics – customizable to individual preferences.
- Front axle: 35 to 60 mm / Rear axle: 40 to 60 mm
- Premium materials for optimal durability and resilience.
- Enhanced driving dynamics and diminished body roll
- Registration-free, courtesy of TTG (ABE)

Engine and Exhaust System

REDUST power Unit

- Up to 25% increased power / up to 15% reduced fuel consumption
- Three selectable programs featuring seven power levels and application control.
- Simple installation with a plug, allowing for residue-free removal.
- Duster TCe 130: +16 hp / +25 Nm / -15% fuel efficiency
- Duster mild hybrid 140: +19 hp / +26 Nm / -15% fuel efficiency
- Duster TCe 100 Eco-G: +17 hp / +31 Nm / -1.6 seconds acceleration from 0 to 100 km/h
- Duster Eco-G 120: +22 hp / +36 Nm / -1.7 seconds acceleration from 0 to 100 km/h
- Duster hybrid-G 150: +22 hp / +36 Nm / -15% fuel efficiency

REDUST pedal box +10% acceleration

- Enhanced driving dynamics and enjoyment through improved throttle response.
- Up to 10% increased acceleration, along with Eco mode for enhanced fuel efficiency.
- 4 programs, operable via remote control
- Cutting-edge technology - Manufactured in Germany with a 5-year warranty
- Effortless installation with plug connections, reversible without leaving any residue.
- Compatible with all Dacia models

REDUST stainless steel sports exhaust system featuring central tailpipes

- Centrally located twin tailpipes for a dynamic appearance.
- Constructed from premium stainless steel – resilient and resistant to corrosion.
- Available with exhaust tips in black or chrome.
- Engineered for a precise fit with the Dacia Duster III – effortless installation.
- Available exclusively for the "Duster 3 mild hybrid 4WD" and "Duster 3 hybrid."
- Ideal for all Duster III owners seeking to personalize their SUV.
- Registration-free due to EC type approval

REDUST velour floor mats

- Embroidered REDUST logos – a distinctive design for your Duster.
- Superior craftsmanship for enduring protection
- Perfect fit – specifically designed for the Dacia Duster III
- Waterproof backing – safeguards against moisture and dirt
- Compatible with the original Dacia mounting system for a secure grip.
- Constructed from recycled materials – sustainable and environmentally responsible.
- Resilient, long-lasting, and low-maintenance

REDUST footrest protector

- Enhanced comfort, increased safety, and a distinctive appearance for your Dacia Duster.
- Constructed from aluminum checker plate – sturdy and long-lasting.
- No drilling necessary – simple and rapid assembly
- Self-adhesive due to the application of pre-applied 3M adhesive tape.
- Integrated anti-slip features for enhanced safety and comfort.
- Extremely lightweight and an ideal match for the Dacia Duster III.

REDUST door sill set featuring anti-slip relief

- Optimal protection and a stylish appearance – Ideal for your Dacia Duster.
- Constructed from aluminum checker plate – sturdy and long-lasting.
- The set comprises four components, ideally suited for the Dacia Duster III.
- Self-adhesive featuring 3M adhesive tape on the reverse – no screws or drilling necessary.
- Sturdy and resilient design for daily utilization.
- Anti-slip texture for enhanced grip during entry and exit.

REDUST premium seat covers

- Tailored premium seat covers for Dacia Bigster
- Outer material: Black synthetic leather – resilient, easy to maintain, and long-lasting.
- Center panels crafted from premium Alcantara featuring a Y-pattern (four color options)
- Available with or without the REDUST emblem on the headrest.
- Simple to don – no requirement to detach the original seats.
- Enhanced seating comfort and preservation of the original seat covers.

REDUST premium pillows (set of two)

- Crafted from premium Alcantara featuring a Y-pattern.
- Available in four color variations to complement the REDUST Premium seat covers:
- Black, brown, green, or navy blue
- Exquisite decorative stitching and superior craftsmanship
- Significantly enhanced comfort during extended travels.
- Easily drape it over the headrests and fasten it with an elastic band.

General information

Add-on components with TTG or EC type approval do not necessitate registration: coilover suspension, roof spoiler, side skirts, fender flares, hood scoop, fog lights, and exhaust system.

According to the TTG (ABE): Component Type Approval (TTG) is the successor to the ABE. No new ABEs can be applied for since June 2024, as the TTG has replaced it. Please do not confuse the TTG with the component certificate; the TTG is equivalent to the ABE.

No technical data sheet (TTG) is available for the REDUST 20" rims. However, a strength certificate/parts certificate is accessible to facilitate registration. Consequently, their use necessitates individual approval in accordance with §21 of the German Road Traffic Act (StVZO) by an accredited testing organization such as TÜV, DEKRA, KÜS, or GTÜ. The approved tire size for these rims is 235/40 R20.

For 4WD vehicles equipped with 20" rims, it is essential to utilize wheel spacers with a minimum thickness of 5 mm on each side of the rear axle to guarantee adequate clearance between the tires and chassis components.

All other items are exempt from registration and do not necessitate an expert opinion or TTG.
